**M&S TECHNOLOGIES NAMED TO THE FAST TECH LISTING
HONORING THE FASTEST GROWING TECH COMPANIES IN NORTH
TEXAS BY MTBC**

Dallas, TX. September 26, 2011...M&S Technologies was named to the Fast Tech Award listing Friday, August 26 at the Metroplex Technology Business Council's Tech Titans Awards Gala. The award presentation – sponsored by TravisWolff LLP, Comerica Bank and the Dallas Business Journal – revealed the list of the 35 companies as well as their ranking.

In its 11th year, the Fast Tech Award honors the fastest growing technology, media, telecommunications, life sciences and clean technology companies in the Dallas-Fort Worth Metroplex, based on revenue growth from 2008 to 2010. The ranking is compiled from nominations submitted directly to the Metroplex Technology Business Council (MTBC), and through independent research using publicly available information conducted by the MTBC, TravisWolff LLP and Comerica Bank.

“At the MTBC, we keep our finger on the pulse of what is happening in the tech industry in North Texas,” said Bill Sproull, president and CEO of the MTBC. “These fast growing companies are what makes our technology industry so vibrant...keep your eyes on them!”

About M&S Technologies

M & S' Security Practice incorporates industry best practices and methodologies to create plans, processes and policies that enable organizations to manage and control their information security risk by assessing their current security environment and developing a capability to respond to and recover from disruptive security threats. M&S Technologies Professional Services provides security consulting expertise to help organizations of any size assess their current security state, meet information security challenges, design solutions to reach their optimal security posture and achieve regulatory compliance.
